SUB: Contractor Purchasing System Review (CPSR)

Dear Mr. Anderson:

The purpose of this letter is to provide the University of Michigan with written notification of an interim extension of the University's "approved" status of its purchasing system. The interim extension will allow adequate time for the next Contractor Purchasing System Review to be conducted at the University at a later time. It is noted that the previous approval letter expired on 6 January 2018.

Effective immediately, the university purchasing system shall remain in "approved" status unless or until such time as the Government deems it necessary to change said determination. Or through 6 January 2019, at such time additional guidance as to the status of the university purchasing system will formally be made known to the appropriate University official by the undersigned.

If there is any question pertaining to the above, please contact me at (312) 886-2167 or via email at [dildree.ivery@navy.mil](mailto:dildree.ivery@navy.mil).

Sincerely,

A handwritten signature in cursive script that reads "Dildree F. Ivery".
