Application for recognition

Dear Mr Kanous,

We acknowledge receipt on 12/10/2015 of your file for recognition as a research entity.

Eurostat is pleased to confirm that your university is recognised as a research entity. Your ID number is: **2015/134/US**. Please communicate this ID number in all future correspondence.

The name of your entity will be included in the list of recognised entities available on our website:

<http://ec.europa.eu/eurostat/web/microdata/overview>

You can now request access to microdata by submitting one or more research proposals. For more information, please consult our document "How to apply for microdata access" on our website.

Yours sincerely,

Martina Hahn
Head of Unit
