Dear Mr. Reese:

Enclosed is a copy of the Contractor Purchasing System Review (CPSR) report conducted virtually from April 14-18, 2025. Based upon the results of this review, The University of Michigan's Purchasing System is considered adequate to protect the Government's interest in accordance with 2 CFR 200 and DFARS 252.244-7001.

Approval of the University's Purchasing System is granted pursuant to FAR Subpart 44.3, and applies to all Federal Government contracts to the extent that cross-servicing arrangements exist. System approval shall extend through May 1, 2028, unless extended by the ACO. Should any significant change(s) occur within the system this approval may be withdrawn at the discretion of the ACO.
